

Carol & Gerry's 2012

Family Lifecycle Highlights

Births

The Bliss family now has five girl cousins to play together. Mia Nelson (after Carol's Father) (with Ela and Mom, on left), Kenzie Dana Elisabeth (after Carol's Mother) (with Sage in middle) join Claire (on right).

Engagement & Wedding

Rusty and Sarah became engaged.

Alan and Bill officially married.

The Stahl clan came together to celebrate.

Recreation & Travel

Here we are up in the German Alps during a Fall trip to visit friends in Germany & Romania. Domestic getaways included the Keys and Sanibel in Florida, Cape Cod and Williamsburg.

Work

Gerry's conferences this year were in Sydney, Australia, and Seoul, South Korea, with visits in San Francisco en route.

Carol went to Alabama with the Red Cross for the tornado disaster and is liaison for the Soldier's Project.

Passing

Sadly we lost both of Carol's beloved parents within two months: Nelson Owen Bliss, Jr. (96) October 13, 2012, and Elisabeth Boltwood Bliss (95) November 29, 2012.
